Revised 1.3.2020

The Planning & Development Services Department is here to assist you with your development application pursuant to the Community Development Code (CDC).

This publication outlines the Rezoning and Density Transfer Development Application processes of the CDC and also provides the submittal requirements for such development applications.

Contents of the Publication

This publication is intended to address the submittal requirements for a Rezoning and Density Transfer Development Applications consistent with the Rezoning Process and, if a density transfer is needed, the Density Transfer Process. However, it is each applicant's responsibility to review the CDC and any associated regulations to ensure a full understanding of the development application process.

Development Review Process

Step 1:

Step 13: Step 14:

Rezoning and density transfer development applications shall be processed as a class 4 application as provided for in the CDC, with a Design Review Board (DRB) recommendation and Town Council approval. After any required conceptual worksession with the DRB and/or the Town Council, the class 4 development application process generally consists of the following steps:

Pre-submittal Meeting with Applicant and Planning Division

Step 2:	Applicant Development Application Submittal
Step 3:	Planning Division Development Application Completeness Check
Step 4:	Planning Division Development Application Referral and Review
Step 5:	Planning Division Follow-up Communication
Step 6:	Applicant Plan Revisions
Step 7:	Planning Division Schedule Review Authority Public Hearing
Step 8:	Applicant Public Noticing (Minimum of 30 days prior to hearing)
Step 9:	Planning Division Preparation of Staff Report
Step 10:	Design Review Board (Recommendation) and Town Council Public Hearings
Step 11:	Review Authority Action
Step 12:	Planning Division Provides Notice of Action

Effective Date of Application Decision and Appeal

Development Application Submittal Requirements:

The following forms, information and plans will need to be submitted in order to have a complete development application. Situations will occur when all of the listed submittal requirements will not be required and where items not listed as submittal requirements will be required in order for the Town to have sufficient information to fully evaluate the impacts of a development application. The Planning Division is therefore authorized to determine, based on the nature of a development application, whether to waive submittal requirements or require additional submittal requirements.

Length of Validity (Generally 18 months unless longer vesting)

Submitted	Item	Submittal Requirements		
(Office Use)	No			
	1.	Application Form. Completed application form (Attached).		
	2.	Fees. \$1,000 for 8 hours; hourly rate thereafter.		
		The applicant and property owner are responsible for paying all Town fees as set forth in		
		the fee resolution, and are also required by the CDC to pay for Town legal fees, the cost		
		of special studies, and other fees as set forth in the CDC. Such fees are considered a		
		condition precedent to having a complete development application, and shall be paid		
		prior to the Town issuing the final approval.		
	3.	Proof of Ownership. Copy of current deed or title report on the effected property.		
	4.	Agency Letter. If application is not submitted by the owner of the property, a letter of		
		agency, signed by the property owner giving permission to a firm or person to submit the		
		requested land use application (Attached).		
	5.	HOA Letter. For development on property that is owned in common by a homeowners		
		association, the development application shall include:		
		A. A letter from the Homeowner's Association (HOA) board giving permission for the		
		application (Attached), and, where a vote is required by the HOA governing		
		documents, a copy of the proof of the vote and outcome of such vote.		
		B. A copy of the HOA governing documents, including bylaws and declaration.		
	6.	Title Report. Copy of current title report for the property listing all encumbrances.		
	7.	Development Narrative. A written narrative of the development application that		
		outlines the request. The narrative should include a summary of how the application		
		meets the key requirements of the CDC, such as the applicable criteria for decision.		
	8.	Existing Condition Plan. A stamped, monumented land survey prepared by a Colorado		
		registered land surveyor showing existing site and surrounding access (driveway or		
		roadway route, utility route, etc.) conditions drawn at a scale of 1" = 10' to a maximum		
		of 1" = 30' showing the following information:		
		A. Lot Size. Lot size needs to be shown.		
		B. Existing Lot Lines. Existing platted lot lines need to be shown with distances,		
		bearings and a basis of bearing. Existing property pins or monuments found and the		
		relationship to the established corner also need to be shown.		
		C. Existing Topography. Existing topography needs to be shown with two foot contour		
		intervals, including spot elevations at the edge of asphalt along any roadway or		
		driveway frontage for the intended accessway at 25 foot intervals.		
		D. Steep Slopes. Any slopes that are 30% or greater shall be mapped with a shaded or		
		hatched pattern.		
		E. Wetlands, Ponds, Streams or Drainages (if any). Wetlands, ponds, streams and		
		drainages need to be shown. Recent wetland delineation by qualified consultant		
		must be surveyed and shown on proposed site plan for United States Army Corps of		
		Engineers approval. If wetlands are located adjacent to the development site, such		
		wetland area also needs to be shown.		
		F. Easements. Indicated all easements shown on the governing plats and recorded		
		against the property.

			with the fire mitigation and forestry management requirements.
	9.		posed Development Plan. The following information shall be submitted for the
		dev	elopment application:
		A.	Conceptual Site Plan. A conceptual site plan prepared by a qualified consultant
			(architect, engineer, planner, etc.) in accordance with the applicable regulations of
			the CDC (Design Regulations, Zoning Regulations, etc.) shall be submitted to show
			the proposed location of any roads, driveways, buildings, sidewalks, trails, parking
			areas, amenity areas, plaza areas, or other intended or required development.
		В.	Conceptual Grading Plan. A conceptual grading plan prepared by a Colorado
			registered professional engineer showing how the project can meet the CDC
			roadway and driveway standards, grading and drainage design requirements and
			pedestrian connections, as applicable, with proposed grading shown with a solid line
			and spot elevations as needed.
		C.	Conceptual Building Elevations and Floorplans: Conceptual architectural plans
			prepared by a Colorado licensed architect designed in accordance with the
			applicable regulations of the CDC (Design Regulations, Zoning Regulations, etc.)
			including but not limited to building elevations and floorplans with a scale of $\frac{1}{2}$ " = 1'
		_	to 1/16" = 1' for larger scale projects.
		D.	Computer Massing Model. A computer massing model with interactive viewing
			capability (360 degree rotation, fly by, etc.) showing the proposed buildings and
			surrounding development to scale so the land uses and the visual impacts of the
			project can be evaluated pursuant to the CDC Comprehensive Plan project standards.

		intended routes for providing water, sewer, electric, cable and		
		telecommunications.		
		ii. Water and Fireflow. For rezonings that require the extension of the Town's		
		water system to serve additional lots for development, water supply and fire flow		
		information shall be provided in accordance with the Fire Code.		
		iii. Evidence of Adequate Water, Sewage Disposal and Utilities. The applicant shall		
		consult with the director of the Public Works Department, San Miguel Power		
		Association and Source Gas prior to the submission of a development application		
		to include statements from such agencies in the application on the availability of		
		utilities to serve the intended development.		
		iv. Conceptual Access Plan. A conceptual access plan providing access to and from		
		the site of the rezoning shall be provided, including any needed infrastructure		
		improvements as may be required by the Subdivision Regulations and the Road		
		and Driveway Standards.		
	11	Geotechnical Report. A geotechnical report prepared by Colorado registered		
		professional engineer or geologist shall be provided for all sites that have never been		
		platted and zoned for development, such as a lot that is zoned for open space that is now		
		intended for development as envisioned in the Mountain Village Comprehensive Plan.		
	12	Proposed Plat. A draft of the proposed subdivision plat that includes all required plat		
		elements pursuant to the Subdivision Regulations, such as proposed lot lines, easements,		
		rights-of-way, subdivision name, road names, scale (minimum scale is 1" = 20'), north		
		arrow, proposed lot numbering, proposed lot size, title block and legend.		
	13	Practicable Alternatives Analysis: For development proposing disturbance to wetlands,		
		the general easement or slopes greater than 30%, the Town may require an applicant		
		prepare a practicable alternatives analysis to demonstrate why it is not practicable to		
		avoid such areas.		
	14	Public Improvements Cost Spreadsheet. The developer shall submit a spreadsheet		
		breaking down the cost of the construction of any public facilities or improvements that		
		are necessary for the development, with such spreadsheet providing the line item total		
	4-	cost, unit cost and unit type (EG. Lineal feet, cubic yards, sq. ft.)		
	15	Proof of Adequate Density. For rezonings and density transfers that are increasing the		
		free-market density on a site or lot, the owner shall be required to submit evidence of		
		ownership of the density being transferred, with a density bank certificate for density		
		from the density bank. Density may also be concurrently transferred from another lot in		
		the Town provided such lot is a part of the overall rezoning application as provided for in		
	4.0	the CDC.		
	16	Plan Set Sheet Requirements. All plans sets as set forth in these submittal requirements		
		shall be formatted to have a sheet size of 24" X 36", with cover sheet providing the		
		contact information of all plan consultants, vicinity map, and sheet index; and all sheets		
		showing date of original plan preparation and all revision dates, sheet labels and		
		numbers, borders, title blocks, project name, lot number, address and legends.

Revised 1.3.2020

TOWN OF MOUNTAIN VILLAGE FEE REQUIREMENTS ACKNOWLEDGEMENT

The Town of Mountain Village requires specific fees to be paid with a development application including legal and attorney fees associated with processing land development applications, inquiries and review. Please read and acknowledge the below fee requirement which are found at Community Development Code Section 17.4.4. General Provisions Applicable to All Development Application Classes, Section L. Fees.

L. Fees

- 1. Fee Schedule. The Town Council shall, from time to time, adopt a fee resolution setting forth all development application fees and associated permit fees. Fees for submittals not listed in the fee schedule resolution shall be determined by the Director of Community Development on a case-by-case basis determined by the similarity between the submittal and the development applications listed on the fee schedule together with the estimated number of hours of staff time the review of the submittal will require. No development application shall be processed, nor any development or building permits shall be issued until all outstanding fees or moneys owed by the applicant, lot owner, developer or related entity, as defined by the Municipal Code, to the Town, in any amount for any purpose, including but not limited to any fees, delinquent taxes, required Town licenses, permit fees, court fines, costs, judgments, surcharges, assessments, parking fines or attorney's fees are paid to the Town.
- **2. Town Attorney Fees.** The applicant shall be responsible for all legal fees incurred by the Town in the processing and review of any development application or other submittal, including but not limited to any Town Attorney fees and expenses incurred by the Town in the legal review of a development application together with the legal review of any associated legal documents or issues. Legal expenses so incurred shall be paid for by the applicant prior to the issuance of any permits.
- **3. Property or Development Inquiries.** The Town requires that Town Attorney legal fees and expenses be paid for all development or property inquiries where a legal review is deemed necessary by the Town. The developer or person making the inquiry, whichever the case may be, shall be informed of this obligation and execute a written agreement to pay such legal expenses prior to the Town Attorney conducting any legal review. A deposit may be required by the Director of Community Development prior to the commencement of the legal review.
- **4. Other Fees.** The applicant shall be responsible for all other fees associated with the review of a development application or other submittal conducted by any outside professional consultant, engineer, agency or organization and which are deemed necessary by the Town for a proper review.
- **5. Recordation Fees.** The Community Development Department will record all final plats, development agreements and other legal instruments. The applicant shall be responsible for the fees associated with the recording of all legal instruments.

I have read and acknowledge the fee requirements associa	ted with my application.
